To Whom It May Concern:

This letter is my personal recommendation for Hunter Zachariah Kraft. I have been Zachariah's immediate supervisor for the last 2 years and 3 months. I found him to be consistently pleasant, tackling all assignments with dedication and a smile.

Zachariah came aboard to be part of our sales and stock team for his first job. Zachariah works to ensure shipment processing and productivity standard are met while adhering to The Children's Place guidelines, maintains appropriate stock levels while following visual guidelines and proactively contributes to creating a team atmosphere that is enjoyable. Zachariah demonstrated time management skills and is flexible with his schedule to meet the needs of business.

In of April 2010 Zachariah was promoted to Stock Supervisor, a full time management position. Zachariah served in this position until the end of August 2010 upon deciding the role was not suited for him. While in this role he supported the store team in achieving all company goals and initiatives through driving sales, developing talent and executing the needs of the stock room. He effectively communicates with team members and customers, develops associates by using company tools, demonstrates the ability to lead teams, and drive sales results

If your program is seeking superior candidates with a record of achievement, Zachariah is an excellent choice. He has consistently demonstrated an ability to rise to any challenge that he must face. Zachariah is unlike any other employee I have met in my eight years of retail and even more surprising is that this was his first job. Zachariah is full of drive and determination but always has a positive and motivated outlook.

To conclude, I would like to restate my strong recommendation for Hunter Zachariah Kraft. If you have any further questions regarding Zachariah's ability or this recommendation, please do not hesitate to contact me using the information on this letterhead.

Sincerely,

Kristin Elling  
Store Sales Manager
